

EMERGENCY PREPAREDNESS MANAGEMENT CERTIFICATE

Total Credits: 30

Catalog Edition: 2024-2025

Program Description

The certificate in emergency preparedness management provides students with the technical and professional knowledge to prepare for a career in emergency management. Courses provide introductory through advanced training in the skills necessary to succeed as a professional in this field. **This program can be completed either on campus or online.**

Program Outcomes

Upon completion of this program, a student will be able to:

- Develop and evaluate an emergency operations plan based on data provided on a hypothetical jurisdiction.
- Analyze organizational behavior problems as they apply to emergency operations.
- Demonstrate knowledge of the activities that should happen in each phase of a disaster.

Program Advisors
