Articulation Agreement

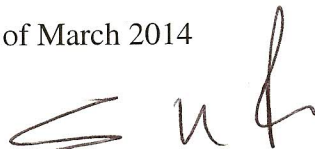

Montgomery College

Associate of Art in Computer Science

University of Maryland, Baltimore County (UMBC)

Bachelor of Science in Computer Science

This agreement is initiated this day March 1, 2014 between Montgomery College, 900 Hungerford Drive, Rockville, MD 20850, hereafter “MC,” and the University of Maryland Baltimore County, a constituent institution of the University System of Maryland, and agency of the State of Maryland, hereafter “UMBC,” to facilitate the transfer of students earning the Associate of Art degree in Computer Science at MC to UMBC in pursuit of the Bachelor of Science degree in Computer Science.

I. PURPOSE

The purpose of this Articulation Agreement (the “Agreement”) is to establish collaboration between UMBC and MC in an effort to facilitate the transfer and degree completion of students earning the Associate of Art in Computer Science at MC to the Bachelor of Science in Computer Science at UMBC.

This Agreement also serves as a Memorandum of Understanding between both institutions for the purpose of clarifying roles and responsibilities in this partnership.

II. GUIDING PRINCIPLES

In consideration of the mutual covenants and conditions expressed herein, the parties agree to the following:

General Requirements

- 1 All courses meeting general education requirements at MC will transfer and be applied towards the general education requirements at UMBC.
- 2 A completed general education program shall transfer without further review or approval by UMBC and without the need for a course-by-course match.
- 3 A maximum of 60 credits will transfer from MC, a 2-year degree-granting institution.
- 4 Upon matriculation to UMBC, MC students must satisfy all general education, graduation and major requirements as outlined in the UMBC Undergraduate Catalog.
- 5 MC students must take a minimum of 30 credit hours at UMBC to earn a bachelor’s degree.
- 6 UMBC requires a minimum of 120 credit hours to attain a bachelor’s degree

Advising/Academic Planning

- 1 Students should work closely with their academic advisor at MC to develop an academic plan to ensure a seamless transition.
- 2 Students and advisors are encouraged to utilize a variety of advising resources including the UMBC Undergraduate Catalog, Suggested Transfer Pathways, departmental websites, as well as ARTSYS (the USM online articulation database), to ascertain transferability of coursework.

- 3 Following admission to UMBC, students will receive an evaluation of prior college coursework via myUMBC. The evaluation will include a Transfer Credit Report and a Degree Audit detailing prior coursework, transferability and applicability to UMBC general and university requirements.
- 4 Prior to matriculation to UMBC, all new students are required to attend the mandatory new student orientation program. During orientation, students will meet with an academic advisor to review prior coursework, discuss academic interests and goals, and develop an academic plan.
- 5 Upon matriculation, students will be assigned an advisor in their area of study. Students are strongly encouraged to meet with their advisor periodically. Students are required to meet with their advisor prior to registering for subsequent semesters.

Admissions

- 1 The UMBC Admissions Committee evaluates transfer applicants on the basis of their academic record at previous institutions. Cumulative grade point average, performance trends, strength of curriculum and performance in courses related to the intended area of study are considered.
- 2 Applicants successfully completing the articulated program with a 2.0 or better grade point average who have not subsequently matriculated at any other institution of higher education will be guaranteed transfer admission to UMBC. Additional requirements may apply on selective admissions programs (e.g. Engineering, Visual Arts, Performing Arts). A history of acts identified in the Federal Campus Security Act may disqualify a candidate for guaranteed admission.

Scholarships and Financial Aid

Students transferring from MC to UMBC who meet application deadlines, academic and financial qualification that apply to all students, may be eligible for consideration for the following scholarships offered by UMBC:

- a) The Academic Achievement Award for Transfers (AAAT) – awarded to community college transfers on the basis of academic accomplishment. Awards of up to \$2,500 for each of two academic years of study. May be used for full- or part-time study.
