Grade of C in each course is required to graduate

Total Credits:

This sequence of two courses is designed for persons who wish to develop skills in digital image editing using Adobe Photoshop. Upon completion of each course in the sequence students will develop skills in image manipulation, color correction, photo retouching and image compositing. Students use Photoshop tools, dialog boxes and panels to adjust, retouch, composite and sharpen digital images. Students prepare images for high-resolution printing on various output devices. A grade of C or better is required in each course.
