

Below is the list of clubs available on the Germantown Campus. Whatever your interests may be, you'll find a group where you can connect and get involved. If you don't see a club that matches your interests, please reach out—we'd love to help you bring a new club to campus!

Take a look at our club listings and contact the respective leader for details on joining meetings. New clubs are added regularly, so be sure to check back for updates, or feel free to stop by our office in SA 113.

To stay informed about club activities, leadership opportunities, and service events, visit the Office of Student Life webpage: <https://www.montgomerycollege.edu/life-at-mc/student-life/index.html>. For any club-related inquiries or to start your own club, please contact your Germantown Campus Student Life Specialist at maria.clark@montgomerycollege.edu.

<u>Club Name</u>	<u>Mission/ Purpose</u>	<u>Contact/ Email</u>
African Dance Club	This club is open to all current MC students who are interested in African dance. This club offers a chance to meet new people and bond over dance and music.	Carleen Boah cboah@montgomerycollege.edu
African Student Association	The purpose of the African Student Association is to spread African culture to the Germantown campus. We aim to educate, empower, motivate, and enrich the student body for the purpose of community and global unity. We work to share the culture and traditions of the African nations that are represented within the organization through campus events and activities.	Pearl Asan pasan@montgomerycollege.edu

Agape Club	<p>The Agape Project is a faith-based community service club at MC that is starting this semester. Agape is the Greek word for the highest form of love: unconditional, sacrificial love. Our mission is to spread Agape love to every student on campus, and we want to accomplish this by serving the community.</p>	<p>Fritts, Autumn afritts@montgomerycollege.edu</p>
AI Club	<p>With the recent upsurge in Artificial Intelligence programs such as Chat GPT, AI is becoming a fundamental part of our daily lives and is revolutionizing the way we interact with technology. It will be essential to learn about Machine Learning and Artificial Intelligence for the future and this club seeks to address that. Our goal is to learn about, work with, and even create our own Artificial Intelligence programs using the python programming language. Our goal is to facilitate learning and a passion for innovation. This club is open to all interested in learning about AI.</p>	<p>Raunak Maheshwari rmaheshw@montgomerycollege.edu</p>
Asian American Student Association	<p>Our mission is to promote and foster an open space with a supportive community based around Asian</p>	<p>John Vu jvu11@montgomerycollege.edu</p>

	American cultures.	
Bio-Tech Club	This club was created to foster student interest in biotechnology outside of the classroom with events, guest speakers, book club discussions, updates on advancements in the field, and discussions on students' academic and career goals as they relate to biotechnology.	Nathan Yap nyap1@montgomerycollege.edu
Business Club	The Business Club was created with this mission statement in mind: "Empowering minds, embracing chaos, and cultivating success – where passion meets profit, and every student becomes a CEO of their unique journey, proving you don't need a business major to thrive in the world of entrepreneurship"	Twesh Banal tbansal@montgomerycollege.edu
Car Club	The purpose of the MC Car Club is to find and unite car enthusiasts through meetups and activities. Members don't need a car to join, as meetings will be used to plan events and	Christopher Aggelis - President caggelis@montgomerycollege.edu

	discuss everything related to cars.	
Chess Club	The Chess Club is open to anyone who loves to play the game of chess. Members will meet weekly to play chess, have fun, and learn new techniques.	Alex Kim akim126@montgomerycollege.edu
Christian Challenge Club	This is a Gospel-centered community united with ONE HEART and ONE WAY. Our desire is to see THE WORLD changed THROUGH JESUS. We do this by making disciples who love sacrificially and serve passionately while growing deeper in their relationship with Christ.	Jenise Negron jnegrn7@montgomerycollege.edu
Computer Science Club	This club is offered to introduce computer science related concepts to club members, such as new programming languages and data structures and algorithms. Our goal is to share project ideas and collaborate on different tech related activities, and create a hang out space for people who are interested in computer science and want to network with others.	Andrei Tudor Carsin - President acarsin1@montgomerycollege.edu
Crochet/Knitting Club	This club is open to anyone who loves to crochet, knit, or any other fiber art.	Caroline Jamison cjamison@montgomerycollege.edu

	<p>This is a time to work on projects together, get help with patterns, and learn. All experience levels are welcome!</p>	
<p>Entrepreneurship and Innovation Club</p>	<p>In this club, learn how to foster an entrepreneurial mindset- including effective communication, innovation, and creativity skills- to be successful in all kinds of environments.</p>	<p>Noemi Miller nmille84@montgomerycollege.edu</p>
<p>Gaming Club</p>	<p>The Gaming Club, open to all students, was started for students who are into gaming or are interested in gaming. The club's purpose is to share a space where gamers and even non-gamers who are interested in gaming can learn more about and even enjoy the various genres of games available online.</p>	<p>Harith Anderson Henry hhenry13@montgomerycollege.edu</p>
<p>The Globe Newspaper</p>	<p>The purpose of The Globe Newspaper is to serve the Germantown community through news articles and stories. We provide articles, videos and photos that students would like to share with the community. Our mission is to provide news coverage that will help benefit each other in the long run.</p>	<p>Professor Mitch Tropin <u>Mitchell.tropin@montgomerycollege.edu</u></p>
<p>Gryphon Literary Magazine</p>	<p>Published once per year, this Germantown campus magazine features student-created fiction, non-fiction, poetry, art,</p>	<p>Professor Sharon Anthony <u>Sharon.anthony@montgomerycollege.edu</u></p>

	photography, and graphic designs.	
Hispanic and Latino Community Club	This club is open to all students and was created to provide unity and a sense of identity across all Hispanic and Latinx peoples in order to create a more connected student body.	(Matt)Ian Irizarry-Padilla iirizarr@montgomerycollege.edu
International Friends Club	The International Friends Club provides support for international students as they adjust to life in the U.S. Our goal is to create a warm and inclusive community of both American and international students, where genuine friendships are formed, and international students can thrive.	Mercy Leanne Mukudzavhu Mmukudza@montgomerycollege.edu
KPOP Club – Nite Lite	The mission of the KPOP Club is to unite fans in the MC community by creating a space for them to express their interest in KPOP and all things related. The main focus is giving students a platform for self-expression by holding discussions, chats, and scheduled podcasts. When quarantine lifts, or guidelines permit school events, we will revert to holding KPOP dance practice and performances.	Killian Sibug rsibug@montgomerycollege.edu

<p>Math Club</p>	<p>The Math Club open to all students and is intended to give students a platform to share their interests in mathematics. Typical activities include problem solving sessions, student talks and guest talks.</p>	<p>Kyra Owusu kowusu3@montgomerycollege.edu</p>
<p>Pathways to Success</p>	<p>Pathways to Success Pathways to Success is a student led club meant to empower, support, and motivate students for the next step in their academic journey. Students are offered opportunities for personal growth and academic development by engaging in resume building activities and workshops. On occasion, guest speakers from MC or separate institutions will share information on various extracurricular programs and transfer readiness. Students can also participate in volunteer events that will develop professional skills and give them practical experience. In Pathways to Success, students can connect with a community of like-minded people, interact with a diverse range of individuals, and build valuable relationships.</p>	<p>Tiffany Huang - President Thuang24@montgomerycollege.edu</p>
<p>Role Playing Club</p>	<p>Are you ready to step into a world of adventure, imagination, and creativity?</p>	<p>Garrett Redmond gredmon1@montgomerycollege.edu</p>

	<p>The Role-Playing Club is your gateway to exploring new realms, crafting unique characters, and telling epic stories alongside fellow enthusiasts. Whether you're a seasoned game master, a creative storyteller, or someone just curious about role-playing games, our club offers a welcoming and inclusive environment for all skill levels.</p>	
<p>Soccer Club</p>	<p>The purpose of the Soccer Club is to provide students the opportunity to participate in non-competitive soccer games and skill building.</p> <p>Being a part of this club is an unforgettable opportunity and it offers lifelong friends and a well-rounded college experience. Practice and pick-up games will be held on the field near the baseball field. All levels welcome!</p>	<p>Julio Rios jrios22@montgomerycollege.edu Nick Cerda ncerda@montgomerycollege.edu</p>
