

Courses with On-Campus Sessions

Fall 2020

Automotive Technology

- AUTO 101L Introduction to Automotive Technology
- AUTO 111L Engine Repair
- AUTO 140L Suspension and Steering
- AUTO 150L Brakes
- AUTO 161L Automotive Electricity
- AUTO 180L Basic Engine Performance
- AUTO 262L Battery/Starting/Charging

Building Trades

- BLDG 140L Fundamentals of Carpentry
- BLDG 150L Fundamentals of Electric Wiring
- BLDG 170L Fundamentals of Refrigeration
- BLDG 172L HVAC Electricity
- BLDG 184L Solar PV Design and Installation
- BLDG 242L Remodeling and Interior Finishing
- BLDG 250L Residential Electrical Wiring
- BLDG 271L Heating Systems
- BLDG 273L Air Conditioning and Heat Pump Systems

Physical Therapy Assistant

- PHTH 102L Basic Health Skills for the Physical Therapy Assistant
- PHTH 104L Surface Anatomy, Palpation, and Massage
- PHTH 206L Measures and Interventions for Clinical Problems II

Polysomnography

- POSM 201L Polysomnography II
- POSM 202 Clinical Practicum II

Radiologic Technology

- RADT 125 Clinical Radiology IV
- RADT 211L Radiographic Positioning III

Surgical Technology

- SURG 100L Introduction to Surgical Technology
- SURG 101L Surgical Technology I
