**Adventures in
Engineering VEX Go
Robotics and Coding
YTH699
3/8/2025-3/29/2025
9:30-11:30 am
East County Education Center**

Students will overcome challenges by creating robots and developing decision-making code. Invent, test, and improve your bot just like real engineers! VEX GO helps you learn the fundamentals of STEM through fun, hands-on activities that make learning enjoyable and engaging. This program is offered in partnership with Goldsmith Education.

Ages 7-10. This class is on Saturday! Cost: \$94 + \$25 = \$119

**Drone Missions
YTH700
4/5/2025
9:00 am - 3:30 pm
East County Education Center**

Dive into the world of drones and flight! You'll explore math, variables, logic, and programming as you tackle a variety of challenges. Throughout the course, you'll develop a programming mindset, focusing on outcomes as you create and refine your projects. In partnership with Goldsmith Education.

Ages 7-14. This class is on Saturday! Cost: \$94 + \$25 = \$119

**Spring Break Soccer
Clinic for Youth
YTH703
4/14/2025-4/17/2025
9:00 am - 1:00 pm
Rockville**

This four-day program offers a dynamic experience where you'll improve your soccer techniques, foster good sportsmanship, and build leadership skills and character. Led by Montgomery College Men's Soccer Head Coach Pedro Braz and Assistant Coach Scott Payne, this camp provides individualized attention and expert guidance.

Ages 9-16. Cost: \$299 + \$60 = \$359

Rockville**

In this exciting STEM Saturday, you will explore Python Programming, Drone Racing, ROBLOX® Makers, Minecraft® Modding, YouTube® FX Shorts, Cyber Spies, 3D Modeling with Pokémon®, or Video Game Animation! In partnership with Black Rocket Productions.

Ages 8-14. This class is on Saturday! Cost: \$94 + \$25 = \$119

**The Resilient Parent:
Tools for Supporting
Emotional Growth
YPP001
4/26/2025
9:00 am - 12:00 pm
Rockville**

This dynamic seminar will give you essential knowledge and strategies to help your child build emotional resilience, embrace a growth mindset, and develop self-advocacy skills. Through engaging discussions and hands-on activities, you will learn effective ways to support your child in managing their emotions, tackling challenges with confidence, and advocating for their needs. You'll leave with practical insights and actionable steps to reinforce these lifelong skills in your child's development. In partnership with KGH Consulting.

This class is on Saturday! Cost: \$40 + \$5 = \$45
